PROFESSIONAL SUMMARY

Highly motivated Full-Stack Developer with expertise in modern web technologies, including JavaScript, React.js, Node.js, Express.js, and MongoDB. Experienced in developing scalable web applications, RESTful APIs, and AI-driven solutions through academic projects and practical implementation. Possesses strong analytical, problem-solving, and debugging skills, with a passion for building efficient, user-centric applications and leveraging emerging technologies to drive innovation and business value.

TECHNICAL SKILLS

Programming Languages:	JavaScript, C, C++, Python, PHP
Frontend Technologies:	HTML5, CSS3, SCSS, React.js, Tailwind CSS
Backend Technologies:	Node.js, Express.js, REST APIs
Databases:	MongoDB
Tools & Utilities:	Git, GitHub, Postman, JWT, Socket.io, Razorpay

PROJECTS

AI for Growth Full-Stack AI Career Ecosystem	Live: ai-for-growth-mj.vercel.app
- Architected and deployed a comprehensive, end-to-end AI-powered career ecosystem incorporating Interview AI, an AI Career Coach, Interview IQ, and an AI Resume Analyzer. - Engineered seamless API integrations with multi-LLM networks, including GPT-4o-mini, Gemini, and Claude AI, to dynamically generate customized career insights. - Implemented secure JWT-based user authentication, enabled real-time dual-communication architectures via Socket.io, and engineered a robust monetary checkout using Razorpay payment gateways.	

INTERNSHIP EXPERIENCE

Web Development Intern | Palcoa Solutions Private Limited

Salon Management System

- Developed and refined backend core business logic, executing structured data validation rules across 35% of system modules to maintain seamless transactional flow.
- Designed, documented, and reviewed application functional interfaces, managing comprehensive RESTful API response test coverage across 40% of system routes via Postman.
- Conducted systematic code debugging and implemented rigorous error-handling architectures, resulting in a 20% reduction of integration and communication overhead.
- Optimized deep relational database schemas and complex structured query paths, accelerating average query efficiency and data processing speeds by 25%.

EDUCATION

Bachelor of Computer Applications (BCA)

Graduation Year: 2026

Tilak Maharashtra Vidyapeeth, Pune

- **Academic Performance:** Cumulative SGPA across semesters: Sem 1: 6.75 | Sem 2: 7.90 | Sem 3: 8.60 | Sem 4: 7.90 | Sem 5: 8.35 | Sem 6: 8.10
